

Bible Reading Plan

(Three-Year Cycle)

ABOUT THIS PLAN

In 2011, it was determined that our church family would be well-served by a common Scripture-reading schedule. Obvious benefits would include:

- A simple structure to help build regular habits of Scripture-reading; no need to waste energy trying to figure out what to read.
- A shared journey through the Bible, creating easy spots where church members might initiate conversations with one another around their readings.
- A built-in series of common reference points, in that recently-read passages could be easily referred to in Small Group or Sunday Assembly settings.

One challenge remained: How would we choose from the multitude of reading plans that exist? A few criteria mattered to us:

- We wanted to read the whole Bible rather than just selected portions.
- We wanted it to be manageable. It had to provide a sustainable pace for those who are seeking God, yet lead busy lives.
- We wanted something with variety. Too many Bible plans get dropped by readers who get tired of massive stretches of Scripture that seem difficult or unfamiliar.
- We wanted something that didn't have one clear start or end. Nothing sillier than that voice that tells us to wait until January 1 to make a change! 😊

This plan seems to meet all those wishes.

A committed reader makes his/her way through the entire Bible over the span of three years, at the pleasant pace of around one chapter per day. There are blocks of time within which entire books are read, but larger books are often split up through the schedule and refreshing movement takes place between Old Testament and New Testament books.

If you are seeking a way to steadily study God's Word, be encouraged to pair up this reading schedule with a daily practice of prayer or journaling. That second act of focused processing has the potential to significantly increase the impact of Scripture upon one's life.

We hope this plan blesses your walk with Christ, as you commit to seeking his ways and his leading in your life.
