### **CLASS PRESENTER: Cherish Laliberte**

When we asked Cherish to describe herself, she provided this:

"In daily life, motherhood is the main stage event, supporting my husband in our small business and volunteering at church are highlights, and somewhere in there, I manage to help write grant proposals for a non-profit organization."

At home in Minnedosa, MB, Cherish also possesses a sharp mind, sensitive heart, and beautiful spirit. We are blessed to have her join us for SR'19.
